## EXPERIENCE POWER™

### **DCF510 - 18V XR BRUSHLESS 3/8" & 1/2" SEALED HEAD RATCHET**

Engineered with the professional in mind, the 18V XR 3/8" & 1/2" Sealed Head Ratchet has the power, versatility, and durability, needed on the job. This cordless ratchet has a brushless motor that delivers 102Nm of max torque and a no-load speed of 0-300 RPM to fasten and remove stubborn nuts and bolts. Maximise versatility with the ability to quickly swap between interchangeable 3/8" and 1/2" square drive anvils for a variety of applications, as well as quickly change from forward/reverse for efficient working. The sealed head design and glass-filled nylon tool housing is designed to help prevent damage from automotive oils and solvents found on the job.

## **GUARANTEED TOUGH.®**
