

DeWalt:s förlängda garanti (3år)

DeWalt's tre års garanti dækker fejl i materialer eller i udførelse, som allerede fandtes, da kunden anskaffede sig produktet. Andre fejl, der kan være opstået under brug, er ikke omfattet af garantien. Garantien er en udvidet garanti, der gælder i yderligere to år efter det første års standardgaranti.

Dog er kravet, at produktet skal være registreret på DeWalt's hjemmeside inden for 30 dage efter købet. Ved registrering får man et certifikat. Ved reklamation skal dette indleveres sammen med kvitteringen. Batterier og lader er ikke omfattet af garantien.

Finder teknikeren en fejl i produktet, skal han ved indrapportering anføre, at garantien gælder tre år. Certifikatet's unikke kode samt produktet's fejl anføres i feltet "Bemærkninger".

Exempel:

Bemærkninger

Noteringar Arb/Frakt	3 års garanti. E94F21638DFC2E439CB2. Avbrott kabel klämd vid montering
Noteringar	
Goodwill:	

Alle produkter, der repareres under garanti, skal fotograferes, og de udskiftede dele i produktet, skal gemmes til erstatningssagen er afgjort af DeWalt.

Vigtigt:

Imødekomme udenfor den normale garanti-periode kan ikke forekomme. Produkter med komponenter, der udviser slitage, overbelastning eller ydre påvirkninger (f.eks vand eller fremmedlegemer), må ikke accepteres.

Serviceblanket: DEWALT

Dette dokument skal **altid** udfyldes og sendes sammen med de produkter, som leveres til et serviceværksted i en DEWALT fragtboks. Udfyld en serviceblanket for **hvert** produkt i boksen.

DEWALT-garanti:

DEWALT reparerer omkostningsfrit skader baseret på fejl i materialer og/eller fabrikation inden for 12 måneder fra købsdato. Denne garanti omfatter ikke fejl opstået p.g.a. overdreven slid eller misbrug af produktet. Denne garanti gælder ikke, hvis uautoriserede personer har udført eller forsøgt at udføre reparationer.

Flexvolt Batterier sendes med rødt transportlåg

Hvis batteritransportlåget ikke anvendes, klassificeres disse batterier iht. klasse 9 i bestemmelserne om farligt gods. Disse bestemmelser gælder for li-ion batterier på mere end 100 watttimer (Wh). Alle leveringer af XR FLEXVOLT batterier fra DEWALT inkluderer batteritransportlåget, som også kan fås som reservedel (N462141).

ACCOUNT MANAGEMENT ▶

REGISTER A TOOL OR ACCESSORY

REGISTER A TOOL OR ACCESSORY ▶

You have now created your account. Click here to register your tool.

- Enter the 'PRODUCT MODEL NUMBER', 'DATE CODE', 'SERIAL NUMBER' and 'REFERENCE (SKU)' where prompted.
- The images on the left will help you to locate each of these items. If you click on the '+' icon on each picture either the image will expand for a clearer view, or a new pdf will open explaining exactly how and where to find what you need.
- You must register your DEWALT XR Lithium Ion Product online within 4 weeks of purchase to be covered under the 3 year extended warranty.

For the 'PRODUCT MODEL NUMBER', you must select a valid number from the drop down options available. If you cannot find an exact match, please choose the closest option available where the first part of the model number match - for cordless drills it will be the first 6 digits that need to match e.g. DCD778 or DCF886. If you have a kit with batteries, please remember you need the individual product model number, not the kit number, as batteries are not eligible for registration.

Please note, not all tools are eligible for the 3 years extended warranty (e.g. batteries). For a full list of exclusions, click here.

Welcome, DEWALT_test

REGISTER A TOOL

1. ABOUT YOUR TOOL

PRODUCT MODEL NUMBER*
The product model number is printed on the rating label of your tool (i.e. DCF886). Enter the first characters and choose from the options proposed in the drop-down list. The characters following the model number indicate the variant of your product (i.e. DCF886D2). You'll find it either on the packaging or the invoice. If you cannot find the full product model number, simply choose the one that matches the rating label. For kits or product bundles, each individual item must be registered separately.

DATE CODE*
The date code is engraved either inside the battery holder, on the back of the motor housing or on the underside of the product.

SERIAL NUMBER
The serial number is printed on the rating label of your product. It is required to register the tool for our extended warranty programme (eligible products only).

REFERENCE (SKU)*
The complete SKU code often contains 7 characters which follow on from the model number (i.e. DCF886D-QW). This can usually be found on your invoice. Please choose the relevant suffix from the list below. If you can't find the suffix, please select 'not listed'.

2. ABOUT YOUR PURCHASE

RETAILER NAME*

DATE OF PURCHASE*
year month day

3. REGISTRATION TERMS

- DEWALT products must be registered within 4 weeks of purchase.
- Proof of purchase & printed guarantee certificate will be required for any guarantee claims.
- For details, please read the [registration terms & conditions](#)

I accept the DEWALT registration terms & conditions

CONFIRM

* fields with * are mandatory.

Fill in where the tool was purchased, and the date of purchase.

Finally, read the 'registration terms & conditions', tick to confirm you have read the policy and then click 'CONFIRM'.

- A new page appear with a summary list containing your newly registered tool.
- As you register more tools, this list will expand, providing you with a full overview of all of your tools and there information so you can quickly check the warranty status of each whenever you log in.
- From this page you can print your 3 Year Extended Warranty Certificate at any time by just logging into your MyDEWALT site.
- Should you ever need to make a claim under the extended warranty, you will be required to provide this Warranty Certificate and also a proof of purchase.

The coloured bar to the left of each tool indicates the warranty status of each items, and corresponds to the colour key at the top of the page.
